The 10-minute audition/interview will cover the following three areas:

Heart

Basic requirement: a positive attitude.

-Be prepared to describe your reasons for wanting to join the praise band.

Availability

Basic requirement: availability on Thursday evenings.

-By joining the group, you commit to being at rehearsals from 6:30-8:30pm on the Thursday evenings preceding whichever Sundays you are scheduled to help lead (except in case of illness or family emergency).

Skill

Basic requirement: proficiency on your instrument/vocal part.

-You will need to have a basic skill level on your particular instrument or vocal part, and some level of proficiency at reading charts.
